HIGH END AUDIO VIDEO

System projektčních pláten MW Multi-Format Projection Screen

The solution for all mainstream projection standards – high-grade material, attractive design, for users who demand quality viewing. The projection format is easily adapted to specific requirements. Six format settings can be called up by wireless radio remote control, actuating two synchronised winding shafts.

- Attractive, sturdy steel casing with highgrade black paint finish
- Screen surface sits exactly flush in the casing
- Wireless remote control for 6 formats
- Uniform distribution of light reflection
- Excellent flatness
- Suitable ceiling-mounting and wallmounting
